INTERIM SUPERINTENDENT REPORT

Mr. Unsicker informed those present that JCD is participating in Universal Design for Learning training through Five Star. JCD is partnering with them through a grant received from the IDOE. There are three more training sessions for this semester.

On 9/1/2022 the HS students painted their parking spots. The weather was great, the students were well-behaved, and all had a good time. It's always nice to see students in a different light. Kudos to the art club and Mrs. Gray for painting 13 parking spots for staff members.

Mrs. Hoff and Mrs. McGhee are beginning work on a project to repair and rebuild the raised planter beds in the elementary garden. They are even going to discuss having their classes work together to use the greenhouse.

The JCD Band has been performing around the area, most recently at Bricktoberfest. They sounded very good, with many compliments about their performance this weekend.

I would like to thank all staff members for being understanding and assisting while I serve both as HS Principal and Interim Superintendent. I especially thank Mr. Hughes for stepping up at the high school.
