EMERGENCY HEALTH NEEDS

At the time of enrollment as a student of Jac-Cen-Del Junior-Senior High School, the parent or guardian will complete an Emergency Health Form. When the student participates in field trips, sports activities, etc., an updated form will need to be filled out so that the teacher or coach in charge will have a copy of this form for emergency purposes.

If a student becomes ill at school, he or she should report to the principal's office. Students may not leave the building without authorization because of illness. Students leaving school without proper authorization will be considered truant.

The Corporation Nurse may be called if a student's symptoms warrant; parents may be contacted or in the case of emergency, 911 may be called for emergency health care. JCD staff has been trained to use a defibrillator in case of an emergency.

Peanuts and peanut products, along with latex balloons, are restricted in the Jac-Cen-Del facilities.

PRESCRIBED MEDICATION

Students who need to use medication prescribed by a medical doctor, dentist or other health care provider must submit medication to the front office immediately upon arrival to school. Only medication in its original container, labeled with the date, the student's name, and exact dosage will be administered. Prescription medication should be accompanied by written consent from the parent authorizing school personnel to administer the medication or treatment. No student is allowed to provide or sell any type of over-the-counter medication to another student. All medications, whether prescription and/or over-the-counter, must be administered by the building-level health care employees or a substitute qualified in the medical field.

VISITORS

Jac-Cen-Del encourages parents to visit the school. Visitors are to provide a photo ID during check-in at the principal's office before visiting the rest of the school.

SECTION II ACADEMICS

COUNSELING

The activities of the Jac-Cen-Del Guidance Office are centered on helping students help themselves. Academic, career and social-emotional counseling are important to every student and are available upon request. The Guidance Counselor is available for students through appointments.

GRADUATION REQUIREMENTS

One credit is received for each course passed each semester. Junior High students may earn high school credit toward graduation. Admission to high school classes is selective and within the discretion of Administration in order to graduate. Students must meet the requirements outlined by the state of Indiana and Jac-Cen-Del Administration for their respective diploma type. Valedictorian/Salutatorian must have completed requirements for a Core 40 with Academic Honors Diploma or a Core 40 with Technical Honors. Students must complete three semesters at Jac-Cen-Del Jr-Sr High School to be considered for Valedictorian and Salutatorian honors. ***ALL requirements for graduation must be met prior to participating in the graduation ceremony.***

DUAL CREDIT/DUAL ENROLLMENT

Jac-Cen-Del Jr. Sr. High School offers a variety of opportunities for students to earn college credits while still enrolled in high school, both through Dual Credit courses taught at Jac-Cen-Del and through Dual Enrollment courses taught on a college campus. The deadline to withdraw from a Dual Enrollment Course through Ivy Tech will follow the same withdrawal dates as Ivy Tech.

EARLY GRADUATION

Students wishing to graduate early should inform the guidance department by the first day of school in the school year they intend to graduate. This policy applies to those students graduating after 6 or 7 semesters. Students that have met ALL requirements for graduation after 6 or 7 semesters must complete the [Early Graduation Application](#) for approval by the Principal: ***ALL requirements for graduation must be met prior to participating in the graduation ceremony.***

E-LEARNING/CONTINUOUS LEARNING

E-Learning (also known as continuous learning) may be used at Jac-Cen-Del when traditional schooling is not possible. This may include times when severe weather shuts down school (weather closings), times when staff Professional Development is being performed (formerly known as late arrival days, these days are now full days of E-Learning for students), and at times when government agencies

request schools to close for various reasons. E-Learning is typically done through Google Classroom (unless student doesn't have internet connection at home).

For scheduled E-Learning Days (typically staff professional development), students will be able to complete E-Learning assignments via Google Classroom and upload when the student returns to school the next day. For scheduled E-Learning Days, students will have until 8:07 AM the next school day to complete the assignments. For non-scheduled E-Learning Days, students will have until 8:07 AM the next school day to complete the assignments. For non-scheduled consecutive E-Learning Days students will have until the next school day to complete the assignments (Example: If E-Learning day is called for Monday and Tuesday, Students have until Thursday to complete all assignments from E-Learning). For extended E-Learning Situations, the due date for all assignments (final submission) will be determined by the administration and staff based on the reason for the extended E-Learning situation.

ONLINE COURSES

Online courses are available to students who need a course for credit recovery or if a requested course does not fit into their schedule. Below are the guidelines governing online courses:

- 1) Students who are enrolled in online courses will:
 - a) Complete all courses before the agreed upon due date.
 - b) Work on each course daily unless there are no assignments and tasks due for that day.
 - c) Maintain satisfactory academic progress in all courses. Satisfactory academic progress is defined as being on schedule and passing all assigned tasks.
 - d) Utilize all school-provided time to work on APEX coursework.
 - e) All coursework must be the students own, original work. School policy for academic dishonesty will be enforced for those who cheat on APEX.
- 2) Grades for online courses are posted at the end of each semester and will therefore not be used in determining honor roll. For the purpose of nine weeks grades, a snapshot will be taken of the students current grade based on the coursework that should have been completed based on the schedule established at the start of the course.
- 3) Students taking a class for the first time will need to complete assigned practice and project activities. Students taking the class for the second time will take the course as credit recovery and will only be required to do quizzes and tests.

HOMEWORK POLICY JAC-CEN-DEL JUNIOR-SENIOR HIGH SCHOOL

Our definition of “homework”: School assignments to be completed outside of regular school hours.

Our staff is committed to assigning homework practices that conform to the following:

1. Appropriate to student age, capabilities, and home conditions with consideration to a student's time commitments for families, community, and extracurricular activities.
2. Reasonable in terms of the total amount of homework assigned to students during any one evening.
3. Specific in terms of school expectations of student's work and directly related to content or subject being studied.
4. Understood by the appropriate staff members, students, and parents.
5. Committed to the improvement of student scholarship.
6. Consistent with curriculum goals and objectives.
7. Flexible in application to the diversity of individual situations.

As a general rule, teachers will allow one day to make up work for every day a student is absent with an excused absence. Of course, there are always exceptions to the rule, especially if you make special arrangements with the teacher. If your child's absence is unexcused, we take the position that no additional time will be allowed for make-up purposes.

HONOR ROLL

Distinguished Honor Roll: A student must receive an A- or higher in all of his or her classes during any grading period. A student can earn DHR for the first nine weeks, the second nine weeks, the third nine weeks, or the fourth nine weeks.

Honor Roll: A student must receive all grades equal to or above a B- during any grading period. A student can earn HR for the first nine weeks, the second nine weeks, the third nine weeks, or the fourth nine weeks.

Note: Courses that are on semester grading systems (APEX, some Dual Enrollment) do not count towards Honor Roll/Distinguished Honor Roll. Students must be enrolled in five credits /courses in order to receive honor roll or distinguished honor roll status.

WEIGHTED CLASSES

The following courses shall receive (1) extra point added on to the grade point average of a class's semester grade at the completion of a course for the following courses if a C or higher is earned for the semester:

- All AP Courses
- Dual Credit Courses taken at Jac-Cen-Del Jr. Sr. High School
- Dual Enrollment Courses
- All Project Lead The Way Courses

INCOMPLETE GRADES

“Incomplete” for grading periods, semester exams, and semester averages must be resolved within an appropriate amount of time as determined by the instructor and school administration. Students are responsible for contacting teachers and making up the work. Any incomplete assignments will become an F (0 %) if not completed within five school days of the end of that grading period. At which point the student will receive the grade they have earned based on work completed during the grading period. For the purpose of the second semester, five days will be defined as five weekdays from the last day of school.

NINE WEEKS EXAMINATIONS (OR PROJECTS)

Teachers may have a cumulative nine-weeks test (or project) at the end of each 9 weeks that is factored in the 9 weeks' grade. There will no longer be a weighted examination that culminates the entirety of the semester. Nine weeks exams or projects should be no more than 10% of the total points possible for the nine weeks.

WITHDRAWING FROM A CLASS

Students have three days from the beginning of the semester to “drop” or withdraw from the class without penalty. If a student withdraws from a course after the deadline, they may receive a (F) grade for the semester. Withdrawal from a class after three days of a semester / nine weeks (for nine weeks courses) requires the permission of the principal, and will only be granted for extenuating circumstances. In order to change a class or withdraw from a class students must complete the proper electronic form making that request.

DRIVER’S EDUCATION

Jac-Cen-Del offers a Driver’s Education class each year. The state of Indiana mandates a student in Driver’s Education must have attendance in thirty classroom hours of instruction. Jac-Cen-Del provides thirty-two hours of classroom instruction. Should a student miss more than two hours of class work, he/she would have to repeat the class provided there is another class available that has space. The state also mandates that students are required to complete 6 driving hours to complete the course. The driving portion of the class occurs after the ending of the second semester. Jac-Cen-Del also offers the driver license test for students that complete the full course with the school. The Front Office will publish additional information concerning dates and costs during the school year.

COLLEGE DAY AND JOB SHADOW EXPERIENCE

College days and job shadow experiences are scheduled in advance and must be scheduled through the guidance office. A sophomore may use one college visit day. A junior or senior may use up to two college days a year but the following criteria must be met to count as a college day:

1. Must be scheduled through the guidance office and scheduled at least 5 days ahead of time.
2. Student must be on the appropriate curriculum for the school or business he/she wants to visit.
3. It is suggested that students be accompanied on the college day visit by at least one parent.
4. College and job shadow days do not count as an absence per the Jac-Cen-Del Attendance Policy
5. Electronic forms must be completed at least 5 school days in advance through the guidance office.

RETENTION

Junior high students with multiple failing grades in a semester will be considered for retention. ILEARN scores and overall academic performance will be evaluated.

PHYSICAL EDUCATION CREDITS

Students may earn the required credits for Physical Education through participation in Jac-Cen-Del

IHSAA sanctioned athletic teams as well as cheerleading and dance, color guard and marching band. Students will earn one credit for the successful completion of two sports seasons/marching seasons; they can earn two credits through the completion of four seasons, which must include participation in at least two different sports. To earn these credits students must complete a Physical Education Waiver Form, which is available in the Guidance Office.

SECTION III ATTENDANCE RATIONALE

Jac-Cen-Del Jr. Sr. High School is committed to fostering the academic and personal growth of its student body. Classroom attendance is an integral factor in a student's ability to learn and provides valuable opportunities that can only be fully utilized in the classroom. Students who are absent are unable to derive the benefits from classroom discussion and the interactions among teachers and fellow students that enhance the educational process. The primary goal of the Jac-Cen-Del Jr. Sr. High School attendance policy is to encourage maximum student attendance that will allow students to attain the educational benefits of school and the fulfillment of academic and career goals. A student and parent/guardian must accept responsibility for the student's attendance. The business of school can be considered a person's first job in life. The habits developed and started in school may transfer to the rest of the student's academic and professional life.

Additionally, Indiana Public Law 221 and federal legislation, Every Student Succeeds Act, have set a 95% benchmark for a school's minimum attendance rate. Attendance rate is one of the factors that is considered when public schools are placed in performance categories and compared to other public schools. In short, JCD can perform well in academic terms but be placed in a lower achievement category due to insufficient attendance and graduation rate. Indiana attendance law mandates that every student enrolled must be in attendance unless he/she is ill or there is a death in the immediate family. As a means of emphasizing the importance of school attendance, a student who violates the attendance policy may receive one or more of the following consequences: in-house school discipline, grade reduction, out of school suspension, loss of driving privileges through the BMV, loss of credit, referral to the Prosecutor's Office, or expulsion from school.

PROCEDURES TO REPORT AN ABSENCE

When a student is absent, the parent/guardian is to call 689-4643 ext.2221 and notify the attendance secretary of the reason for the absence and the anticipated length. A call is needed each day a student is absent. Calls prior to 8:00 A.M. are encouraged and appreciated. Doing so enhances the effective and efficient operation of the school day. Although a phone call is preferable, a note may be sent to school the day the student returns to school providing a parent signature card is on file in the attendance office. The note must include the date(s) of the absence. If a parent/guardian does not call or provide a note to the attendance office when a student is absent, the absence will be recorded as unexcused. The absence will be considered a truancy if it is not excused by the parent/guardian within 24 hours after the student returns to

school. Emancipated students must call the day of the absence. They do not receive the additional 24 hours to clear an absence. The final determination of an absence is at the discretion of the administration.

EXCUSED ABSENCES

A student may have six (6) absences excused at the discretion of the parent/guardian during a semester. Any absence after six (6) will be considered unexcused. Examples of excusable absences include:

- Personal illness verified by a physician's note. The doctor's note must include the appointment date and the date the student shall return to school.
- Personal illness verified by parent/guardian: Parent or guardian must contact the school within 24 hours of the absence.
- Bereavement/funeral for the death of an immediate/household family member (5 yearly)
- Legal business verified by legal counsel, judge, probation or DCS
- Pre-arranged/approved college visits or job shadow experiences verified by college admissions office or business management staff
- Parent/guardian verifies inclement weather or unsafe road/travel conditions
- Parent/guardian verifies bereavement/funeral of relative or friend (2 yearly)
- Parent/guardian verifies observance of religious or cultural holidays
- Any absence covered under Indiana Code 20-33-2

UNEXCUSED ABSENCES

Attendance and participation is an important part of a student's work and evaluation of that work is essential. All work missed must be made up. It is the responsibility of the student to initiate all make-up work. An unexcused absence is any absence not recognized by state law and would include:

- a. If a parent/guardian does not call the attendance office within 24 hours of the absence or a signed note does not accompany the student upon his/her return to school.
- b. If a student who is absent from school due to illness, participates in or is present at an extra-curricular event the same day as the absence, regardless of a parent call.
- d. If the number of student absences exceeds the number defined in the excused absence section.

CONSEQUENCES FOR UNEXCUSED ABSENCES

1st Unexcused Absence Student will be called to the office to determine why a phone call or note was not provided. A detention may be assigned.

2nd Unexcused Absence Student will be called to the office to determine why a phone call or note was not provided. A detention may be assigned.

3rd Unexcused Absence Student is assigned a One Hour Friday School and a follow-up Parent Conference Required

4th Unexcused Absence Student is assigned a Two Hour Friday School. Phone call home.

7th Unexcused Absence Refer student/parent to the Ripley County Court Services (Juvenile) system - Student is assigned 4 days of RCATS (18 or over) Expulsion Waiver Parent Conference.

All unexcused absences may be determined by the administration

TRUANCY

A student is truant if absent from school without the knowledge of the parent or guardian. A student who is truant is considered unexcused. A student is expected to be in attendance at school all day every day unless appropriate arrangements are made by a parent/guardian. Students who are truant will receive disciplinary action.

CONSEQUENCES FOR TRUANCY

1. Half Day Truancy: Three Hour Friday School
2. Full Day Truancy: One Day RCATS Per day of Truancy
3. Additional consequences will be assigned for repeated offenses, up to potential recommendation for expulsion.

Definitions:

Half Day = 8:07 AM to 11:30 AM

Full Day = 11:31 AM to 3:02 PM

PERFECT ATTENDANCE

Perfect Attendance is awarded at the end of the second semester. To attain this honor, a student must be in attendance every day for the entire school year (no tardies) with no exceptions. School-sponsored or school-related activities are considered “daily attendance.”

OUTSTANDING ATTENDANCE

Outstanding Attendance is awarded at the end of the second semester. To attain this honor a student may miss one day or less for the entire year. Suspensions from school are not acceptable absences for this honor. Students receiving this distinction may have no more than two tardies for the entire year.

PART TIME AND RELEASED TIME STUDENT ATTENDANCE RULES

All students are expected to be enrolled in a full load of courses and be on campus during normal school hours unless enrolled in an educational program which takes them off campus (i.e. Dual Enrollment, Internship, Work Based Learning, etc.). Additional exceptions may be made for students with an IEP, 504 or other special circumstance which prevents a student from attending the full day. These exceptions must be approved by the administration.

Part time students will abide by the following rules:

1. A parental permission form must be on file in the Guidance Office.
2. Students have ten minutes before and after class to be on campus for arrival and departure.
3. Teachers will maintain accurate records of attendance.

TARDINESS TO CLASS

Students are to be in the classroom when the bell rings for the class period to begin. Each teacher will have final determination of when a student is late. Each teacher's policy on tardies will be listed in the teacher's classroom management plan. Students are to get a pass from a staff member if they are detained so they will not be counted tardy in the next class. Consequences for tardiness to each class are as follows:

1st time: Notation in teacher grade book and/or post it on Student Information System. Student is informed he/she is being counted tardy.

2nd time: Notation in teacher grade book and/or post it on Student Information System. Student is warned of second tardy and the consequences of a third tardy.

All Career Center students are to ride the bus to and from the Career Center. Exceptions for special activities requiring driving a private vehicle must be cleared through the Principal's office. Generally, Career Center students are not to be permitted in the parking lot during SCC lunch. Students who attend the Career Center will be allowed to visit their vehicles a few minutes prior to the departure of career center buses.

Students that have been suspended from the career center bus will receive an unexcused absence from SCC, unless they are transported by a parent.

Any student driving and or a passenger in a private vehicle to or from the Career Center without permission shall be subject to discipline by school officials.

SCHOOL SPONSORED DANCES

Jac-Cen-Del hosts dances occasionally during the school year. School policies are in effect for these dances. Anyone who brings a student from another school or someone not in school must secure permission from the principal before the dance and must be signed in as a visitor at the dance. Anyone that violates this policy will be asked to leave or face possible law enforcement involvement. Students that have been suspended from school or have excessive absences will not be allowed to attend dances.

LUNCH INFORMATION

Jac-Cen-Del Jr/Sr. High School is participating in the National School Lunch and Breakfast Programs offering students a nutritious breakfast and lunch. A computerized meal accounting system will be used. Each student will have an ID card with their P.I.N. (Personal Identification Number). Students should have their ID card with them when purchasing food items in the cafeteria. This money is deposited into the student's account and when a food item purchase is made, this amount will be deducted from their account.

Students will not be allowed to charge any snacks or a la carte items, if balances fall in the negative range. An alternative lunch (consisting of ham sandwich, carrot/celery sticks and white milk) will be given at the lunch price.

Cafeteria cashiers will inform students when their balances are low. Parents can also check balances at EZSchoolPay, on the school's internet page.

Cafeteria employees will collect student's money either in cash or check made payable to JCD cafeteria, in the morning at the cafeteria or at the ala carte breakfast cart.

Students are not permitted to order food to be delivered to school, nor are parents/guardians allowed to bring outside restaurant food to students.

Students are not permitted in the parking lot during lunches without permission from a staff member.

PARENT/STUDENT PICKUP

Students who are being picked up before the end of school must be picked up at the west entrance to the school (the entrance facing the road/bus entrance).

SECTION IV: INTERNET ACCEPTABLE USE POLICY

Internet access is available to students and teachers in the Jac-Cen-Del School Corporation. We believe the Internet offers vast, diverse and unique resources to both students and teachers. Our goal is to promote educational excellence in schools by facilitating resource sharing, innovation and communication. Each student is given an account for computer access.

Students and teachers have access to:

- information and news from NASA and other research institutions
- public domain software and shareware
- discussion groups on a variety of topics
- access to University Library Catalogs, the Library of Congress and ERIC

Student access to the Internet will be research only. Students may not use programs, websites, servers or other resources not approved by the Director of Technology.

Student Likeness may be released for promoting the school or the individuals.

Jac-Cen-Del believes the information and interaction on this network far outweighs the possibility that users may access material that is not consistent with the educational goals of the Corporation. In addition, Jac-Cen-Del has taken precautions to restrict access to controversial materials. The smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. If a Jac-Cen-Del user violates any of these guidelines his or her computer access will be terminated and future access may be denied.

These guidelines include:

1. Acceptable Use: The use of your computer access account must be in support of education and research and consistent with the educational objectives of Jac-Cen-Del. Transmission of any material in violation of any U. S. or state regulation is prohibited. This includes, but is not limited to: Copyrighted material, Threatening or obscene material, Material protected by trade secret, Commercial activities, Product advertisement, or Political lobbying. No games are to be played on the computer, except for an administrative approved educational program.
2. Privileges: The use of the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. Each student who receives a computer account will be part of a discussion with a Jac-Cen-Del faculty member pertaining to the proper use of the network. The system administrators will deem what is inappropriate use and their decision is final. The system administrators may close an account at any time as required.
3. Network Etiquette: You are expected to abide by the accepted rules of network etiquette, including the following: Be polite. Use appropriate language; vulgarities, swearing or other inappropriate language is a violation. Do not reveal your personal address or phone numbers, nor those of students or colleagues. Do not use the network in such a way that you would disrupt the use of the network by other users. All communications and information accessible via the network should be assumed to be private property.
4. Jac-Cen-Del makes no warranties of any kind, whether expressed or implied for the service it is providing. Jac-Cen-Del will not be responsible for any damages you suffer. This includes loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions caused by its own negligence or your errors or omissions. Use of any information obtained via the Internet is at your own risk. Jac-Cen-Del specifically denies any responsibility for the accuracy or quality of information

obtained through its services.

5. Security: Security on any computer system is a high priority. If you can identify a security problem on the Internet, you must notify a system administrator. Do not use another individual's computer account. Attempts to log on to the Internet as a system administrator will result in cancellation of use privileges. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to the Internet.

6. Vandalism: Vandalism will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy data of another user, Internet, or any other agency or networks. This includes, but is not limited to, the uploading or creation of computer virus.

7. To become an Internet user of Jac-Cen-Del, you must sign the Jac-Cen-Del Internet Use Agreement document of this planner. If you are under the age of 18, a parent or guardian must also sign. These signatures must be given to the Director of Technology before an account can be established.

COPYRIGHT POLICY

It is a violation of law to copy or duplicate computer programs, audio or video recordings and printed materials without the express consent of the holder of their copyrights, unless the materials are in the public domain. Any student or staff member who violates the copyright laws using materials from the Jac-Cen-Del Community School Corporation shall be subject to discipline and/or criminal prosecution.

SECTION V: SEARCH AND SEIZURE

The principal or his designee may search the person of a student during a school activity if there is reasonable cause. Searches of the person of the student shall be limited to: Searches of the pockets of the student, any object in the possession of the student such as a purse, book bag or briefcase, a "pat down" of the exterior of the student's clothing. Searches of the person of the student which require removal of clothing other than a coat or jacket shall be referred to a law enforcement officer. Any item found during the search which is in violation of school rules, will be seized. The privilege of bringing a student's operated motor vehicle onto school premises will serve as consent for a search. Refusal by a student, parent/guardian or the motor vehicle owner to provide or allow access to the motor vehicle for a search will result in the contact of law enforcement officials. The principal or his designee may request the assistance of a law enforcement officer to: Search any area of the school premises, any student or any motor vehicle on school premises, and/or identify or dispose of anything found in the course of a search conducted in accordance with this section. Additionally, students may be asked to submit to a drug test under reasonable suspicion of influence by an illegal substance.

LOCKERS

All lockers made available for students' use on all Jac-Cen-Del School Corporation school premises, including lockers located in the hallways, physical education and athletic dressing rooms, and the art

classroom, are the property of the school corporation. These lockers are made available for student use for storing school supplies and personal items necessary for use at school, but the lockers are not to be used to store items which cause, or can reasonably be foreseen to cause, an interference with school purposes or an educational function, or which are forbidden by state law or school rules. A student who uses a locker that is the property of a school corporation is presumed to have an expectation of privacy in that locker or the locker's contents. A principal may, in accordance with the rules of the governing body, search a student's locker and the locker's contents at any time. A law enforcement agency having jurisdiction over the geographic area have a school facility containing a student's locker may: at the request of the school principal; and in accordance with rules of the governing body of the school corporation assist a school administrator in searching a student's locker and locker's contents.

(I.C.20-33-8-32) The student's use of the locker does not diminish the Jac-Cen-Del School Corporation's ownership or control of the locker. The School Corporation retains the right to inspect the locker and its contents to insure that the locker is being used in accordance with its intended purpose, and to eliminate fire hazards, maintain sanitary conditions, attempt to locate lost or stolen material and to prevent use of the locker to store prohibited or dangerous materials such as weapons, illegal drugs or alcohol. The Jac-Cen-Del School Corporation is not responsible for items in lockers. Lockers are expected to be kept locked and penalties will be assessed for tampering with the locking mechanism.

USE OF DOGS

The Board authorizes the use of specially-trained dogs to detect the presence of drugs and devices such as bombs on School property. The dogs may be allowed to examine School property such as lockers or students and items in their possession, but any search of a student's person will be based upon individualized reasonable suspicion in addition to any information resulting from the dog's examination.

STUDENT AUTOMOBILES

To protect student vehicles from vandalism and property damage, student drivers are to park in a designated area south of the building. Students who are repeatedly tardy to school, or cause others to be tardy because of their driving, are subject to forfeiture of their driving privileges. Students are not allowed in the parking lot except when arriving or leaving with proper permission. Violators will be penalized as follows:

First Offense -Three Hour Friday School

Second Offense and all succeeding ones - One Day of RCATS.

Reckless driving such as spinning tires, figure eights, speeding and fishtailing will result in the revocation of driving privileges for two weeks. If circumstances warrant, the revocation of driving privileges may be extended up to one semester. This list of reckless driving violations is not all-inclusive. Any student who drives a vehicle to school MUST purchase an Identification Tag for their vehicle and register that vehicle in the office. This tag should be properly displayed. If a student drives more than one vehicle, then each vehicle must be registered in the office. If there is a special case

involving temporary driving, then arrangements through the office should be made. Violation of this policy: Step 1 - 2 week driving suspension. Step 2 - Driving suspension for 9 weeks. Step 3 - Driving privilege suspended for remainder of the school year. In addition to these penalties, cars may be towed at owner's expense.

DRIVER'S LICENSE

Indiana law requires education officials to report to the Bureau of Motor Vehicles (BMV) any student under the age of eighteen verifying that a student is habitually truant, under a second suspension or expelled from school. A student under eighteen years of age who has a learner's permit or a driver's license shall have that license or permit invalidated by the BMV upon notification by the Principal that the student has been expelled from school for misconduct or suspended from school for the second time in the school year.

The student's driver's license or permit shall be invalidated until the earliest of the following:

- A. The student becomes eighteen years of age
- B. One hundred twenty (120) days after the student is suspended
- C. One hundred eighty (180) days after the student is expelled for misconduct.

A "habitually truant" student is one who willfully refuses to attend school in defiance of parental authority in any one of the following circumstances:

- A. Absence for two days of any period of thirty school days.
- B. Absence for three days in a semester.
- C. Absence for four days in any two-semester period, or

Additionally, a person less than eighteen years of age cannot be issued an operator's license or learner's permit if the student is expelled from school for misconduct, or receives a second suspension from school for the school year. Any student whose license or permit is invalidated may appeal pursuant to IC 9-24-2-1.

SECTION VI: CODE OF CONDUCT GENERAL

Jac-Cen-Del Jr/Sr High School operates using Positive Behavior Interventions and Supports (PBIS) and promotes a school environment which encourages and supports respect, fairness, caring, responsibility, trustworthiness, and citizenship. PBIS is a proactive systems approach to establishing the behavioral supports and social culture as needed for all students in a school to achieve academic and social/emotional success, and to be college and career ready. PBIS applies a system of support and a problem-solving process to enhance the capacity of schools to effectively educate all students. Data-based decision-making aligns curricular instruction and behavioral supports to student and staff needs. Jac-Cen-Del Jr/Sr High School has established clear expectations for behavior that are taught, modeled, and reinforced across all settings by all staff. This provides a host environment that supports the adoption and sustained use of effective academic and social/emotional instruction. PBIS has proven its effectiveness and efficiency as an Evidence Based Practice. (Sugai & Horner, 2007).

Every effort will be made by administrators and teachers, in cooperation with the student and his/her parent(s)/guardian(s), to resolve problems through the utilization of school district resources. The entire basis of civilization is based in the theory of self-discipline. Individuals must determine according to society's standards what correct and acceptable behavior is and what is not. Certain standards of student conduct are necessary to assure that students do not infringe upon the rights of others. In the absence of self-discipline, administrative personnel, teachers, and other school personnel are authorized to take any action which is necessary to carry out or to prevent interference with the educational functions of which he/she is then in charge. Disciplinary interventions may include, but are not limited to, counseling, parent contacts or conferences, rearrangement of class schedules, requiring students to remain in school after regular school hours, or losing privileges such as participating in or attending extra-curricular activities, eating in the lunchroom, or riding a school bus.

BEHAVIORAL EXPECTATIONS

This Student Handbook/Code of Conduct lists key behaviors that are EXPECTED at Jac-Cen-Del Jr/Sr High School and all school related events (on or off school property). It also provides a general overview of interventions and consequences that may be applied to any behavior deemed inappropriate by staff, administrators, District Policy, and the Indiana Code.

GENERAL EXPECTATIONS

The school recognizes the right of students to express themselves. With the right of expression comes the responsibility to do it appropriately. Students may distribute or display, at appropriate times, non-sponsored, non-commercial written material, buttons, badges, or other insignia; and the like. All items must meet school guidelines.

Material cannot be displayed or distributed if it:

1. is obscene to minors, libelous, indecent, or vulgar,
2. advertises any product or service not permitted to minors by law,
3. intends to be insulting or harassing,
4. promotes gangs, or
5. intends to incite fighting or presents a likelihood of disrupting School or a School event.

Any student who commits any act which violates the provisions of the Indiana Juvenile Code (Indiana Code Title 31-6), Indiana Criminal Code (Indiana Code Title 35), or Indiana Motor Vehicle Code (Indiana Code Title 9) will face appropriate disciplinary action.

Participating in any activity, or using spoken or written language, which interferes with or is likely to disrupt or interfere with school functions, activities or purposes is grounds for disciplinary action. Use of violence, force, noise, coercion, threat, intimidation, fear, passive resistance or other comparable conduct, constituting an interference with school purposes, or urging other students to engage in such conduct are grounds for disciplinary action. Any student, who disrupts, attempts to disrupt, prevents or attempts to prevent, interferes, or attempts to interfere with any class, study hall, or educational function, or any lawful meeting or assembly will face disciplinary action. Any student who repeatedly fails to comply with directions or requests of teachers or other school personnel, while under their supervision or while at any educational function will face disciplinary action. Any student who is suspended from school (out of school) for one day or more will lose his or her privilege to participate in field trips during that semester.

Any exceptions to this will be at the discretion of the principal. Students who represent Jac-Cen-Del in positions of honor (Homecoming King or Queen, Court/Prom King or Queen, Court/Representatives in Parades, Class Representative, etc.) must maintain passing grades at nine weeks and/or midterms, have a 95% attendance rate and receive no out of school suspensions during the current semester. Student(s) must also be enrolled at Jac-Cen-Del for three semesters to be considered for Homecoming King or Queen, Prom King or Queen, along with candidates for king or queen for the Pumpkin show, Swiss Wine Festival and Aurora Farmers Fair.

RIPLEY COUNTY ALTERNATIVE TO SUSPENSION PROGRAM (RCATS)

All students placed on short term (1-10 days) out of school suspension are subject to assignment to the Ripley County Alternative to Suspension Program (R-CATS) at the discretion of the school. R-CATS is a countywide program that provides an alternative to out of school suspension in which students are required to report to the Tyson Activity Center to serve their suspended days. R-CATS is a collaboration of Ripley County schools with the support of the Ripley County Judges, Prosecutor and Probation Department. Parents are responsible for transportation to the program and students are required to report with all necessary materials (including the student’s HP laptop) for the completion of class work. Students are also required to bring a sack lunch or they can purchase a lunch through South Ripley - the cost of this meal will be charged to the student lunch account at JCD. Since this is an alternative educational placement, student attendance is mandatory. Failure to report to R-CATS, and behave in an

appropriate manner while there, could result in the student and parents being summoned to appear in court. Students will receive full credit for class work completed while in R-CATS. The R-CATS day runs from 8:30a.m. – 2:30p.m. and includes time for completion of class work in the morning, a supervised lunch and community service in the afternoon. More specific information on the R-CATS program will be provided at the time of the suspension.

SECTION VII: SUGGESTED CONSEQUENCES BY INFRACTION

Wireless Communication Devices (WCD)

The use of cell phones and other wireless communication devices while on school grounds is a privilege. As a general rule students are not permitted to use electronic devices on school grounds during school hours without the permission of a staff member. However, students are allowed to use these devices before school, during lunch, and after school unless directed otherwise by a staff member.

Cell phones, WCDs and ear buds are not to be visible in the classroom, these devices should be left in lockers, put away in bags or otherwise put out of view as to limit distractions to the educational environment. Teachers may, at times, allow students to use cell phones on a limited basis (i.e. as a

EVERY CHILD. EVERY CHANCE. EVERY DAY

reward or to listen to music while students work individually). Students are not permitted to use such devices to engage in an activity that violates school rules or state or federal law. Failure to comply at any time with this expectation will result in the following consequences:

The office will deliver messages to students from parents and students needing to contact parents may do so from the office.

Important Notice to Students and Parents: Cell Phone Content and Display The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective service whenever there is reason to believe that any person/student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes. It is “child exploitation,” a Level 5 felony under I.C. 35-42-4-4(b), for any person/student:

- (1) to exhibit, photograph or create a digitized image of any incident that includes “sexual conduct” by a child under the age of 18; or
- (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct by a child under the age of 18.

It is “*child pornography*,” a Level 6 felony under I.C. 35-42-4-4, for any person/student to possess a photograph, motion picture, digitized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or who appears less than age 16.

“Sexual conduct” is defined by I.C. 35-45-4-4 (a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or any fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of the child or other person.

The **Indiana Sex Offender Registration Statute** at I.C. 11-8-8-7 and the **Sex Offender Registry Offense Statute** at I.C. 35-42-4-11, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4 (b) to register as a sex offender.

Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system.

Basic limitations are that dress and appearance must not be disruptive to the educational process and that they must not pose a threat to the health, welfare, or safety of the individual or other students. Common decency and cleanliness of person and apparel is expected and required. Clothing, jewelry or other body decoration which disrupts the daily educational schedule and process is inappropriate (Inappropriate body piercing, tattoos etc.). As fashion changes the policy will change to meet the new trends.

The following are guidelines for the Dress Code:

2. Tops that expose cleavage or midriff areas are not permitted.
3. Apparel may not contain or display inappropriate pictures, messages or slogans. This includes tobacco products, alcoholic beverages, drugs or drug-related, sexually explicit or implied messages, inappropriate language, and implies racism. Clothing that contains messages that can be construed to be inappropriate are prohibited as well.
4. Footwear must be worn at all times. Any type of footwear not deemed acceptable by the administration will be dealt with accordingly.

6. All shorts, skirts, dresses are to be mid-thigh in length.

Fighting

Fighting is a major disruption of the educational process, and has a serious effect on the total school atmosphere. A fight between individuals over a personal grievance and not directly involving other students is typical of most fights in school. This type of fight nearly always has some kind of provocation or a prior personal grievance between the parties. If a student is merely defending himself/herself, he/she should NOT be throwing any punches. **HITTING BACK IS NOT REQUIRED TO DEFEND YOURSELF.** Participants in a fight will not be allowed to attend classes for the remainder of the day on which the fight occurred. The administration may increase or decrease the punishment in any given situation depending on the facts of the situation.

Personal property contained in a structure or located at a facility identified in subdivision 1, 2, or 3; without the consent of the owner, possessor, or occupant of the property that is damaged, commits institutional criminal mischief, a Class A misdemeanor. However, the offense is a Level 6 felony if the pecuniary loss is at least seven hundred fifty dollars but less than fifty thousand dollars, and a Level 5 felony if the pecuniary loss is at least fifty thousand dollars. Parents are liable under I.C. 34-31-4-1 for the actions of their children in defacing school property to the amount of \$5,000.00. GRAFFITI “Graffiti means any unauthorized inscription, work, figure, or design that is marked, etched, scratched, drawn or painted on a component of any building, structure, or other facility.” I.C. 35-31.5-2-146 Under IC 35-43-1-2, if a person is convicted of an offense to a school or community center that involves graffiti, the court may, in addition to any other penalty, order that the person’s operator’s license be suspended by the BMV for not more than one year. The court may rescind an order for suspension or denial and allow the person to receive a license or permit before the period of suspension or denial ends if the court determines that: a. The person has removed or painted over the graffiti or has made other suitable restitution; and b. The person who owns the property damaged or defaced by the criminal mischief or institutional criminal mischief is satisfied with the removal, painting, or other restitution performed by the person. Parents can be held liable for damages to property caused by their children to the extent of \$5,000.00. (I.C. 34-31-4-1)

The superintendent has authority to modify the expulsion. A student who brings to school or is in possession of a deadly weapon on school property may be expelled for a period of not more than one (1) calendar year. This policy shall also encompass such actions as false fire alarms, bomb threats, or intentional calls to falsely report a dangerous condition. possession of a student of the Jac-Cen-Del School Corporation.

Alternative expulsion program means disciplinary action in which a student is allowed an opportunity to earn credit online at a location different than Jac-Cen-Del Jr/Sr High School. Students will check-in on a weekly basis with a school representative. Student is responsible for transportation to weekly check-in meeting. - 7. A student or a student’s parent who fails to request and appear at an expulsion meeting after receipt of notice of the right to appear at an expulsion meeting forfeits all rights to contest and appeal the expulsion.

EXTRACURRICULAR ACTIVITIES PHILOSOPHY

The Jac-Cen-Del Community School Corporation believes that extracurricular activities are desirable and constitute one of the most important advantages of public schooling for American youth. We further believe: Extracurricular activities have a great potential to contribute to the growth and development of students. The standards and ideals established and practiced will influence greatly the youth, the school, and community; therefore, only the best traditions of good citizenship and conduct will be fostered. The program of activities should be closely integrated with the administrative policies of the school.

Extracurricular activities will be governed by rules established by the I.H.S.A.A., other state sponsoring organizations and regulations adopted by the Jac-Cen-Del Community School Corporation. The will to win is a natural, desirable human trait; it is, however, not to be attained at the price of unfair advantage or violations of established rules and principles. The welfare of students takes precedence over any other interest. All activities are school controlled and school directed. Extracurricular sponsors and/or

coaches should be a tightly-knit organization; all activities should be considered in perspective with the rest of the school program and each other.

OBJECTIVES FOR PARTICIPATION

At Jac-Cen-Del Jr/Sr. High School students are expected to: present a positive image of school activities to the parents and community, to seek playing excellence within the boundaries of good sportsmanship and good student mental health, to encourage growth and development of the activities to raise the number of participants, to allow students to experience situations and circumstances similar to those in the “real world” to further develop their abilities for decision making, toleration, cooperation, etc. The students will develop a sense of unity among the student body, faculty and community through the activity programs while also developing positive leisure time activities to utilize as they develop into adults and to develop vocational skills and techniques for future success in the workforce

NATIONAL HONOR SOCIETY

The purpose of Jac-Cen-Del’s chapter of National Honor Society is to encourage high scholarship, to promote worthy leadership, to render service and to develop high character. Therefore, membership in the organization is based on the student’s scholarship, leadership, service and character. Sophomores through Seniors with at least a “B” GPA are considered for membership. The final determination of membership is made by the faculty advisors after a review of each eligible student’s character, service, leadership and scholarship. Each NHS member is required to carry four “solid” subjects each semester. Members must maintain a “B” average, display positive character traits, attend mandatory meetings, and document 25 service hours per semester to remain a member of NHS. Failure to do so will result in academic or discipline probation. If continued, this will result in removal from the NHS chapter.

NATIONAL JUNIOR HONOR SOCIETY

The purpose of Jac-Cen-Del’s chapter of National Junior Honor Society is to encourage high scholarship, to promote worthy leadership, to render service and to develop high character. Seventh Graders through Ninth Graders with at least a “B” GPA are considered for membership. Students may have only one detention (and that can be only for tardies) to be eligible for NJHS. The final determination of membership is made by the faculty advisors based on the student’s scholarship, leadership, service and character. Members must maintain a “B” average, display positive character traits, attend mandatory meetings, and document 25 service hours per semester to remain a member of NHS. Failure to do so will result in academic or discipline probation. If continued, this will result in removal from the NHS chapter.

SECTION IX: STUDENT ACTIVITIES CONDUCT

EVERY CHILD. EVERY CHANCE. EVERY DAY

school, and community. Every student's conduct is under constant scrutiny and evaluation not only during the particular activity or season, but also at all other times, including school vacation periods; therefore, a student's appearance and conduct must be, at all times, beyond reproach. A student is to be a good example as a student, as a citizen and as a participant. Participation in a J-C-D activity is allowed at the discretion of the sponsor and/or coach of that activity, subject to review by the principal, in accordance with Indiana law and the requirements, where applicable, of minimum due process of law. In addition, a student participant must meet or exceed those rules and regulations set forth by Jac-Cen-Del School Corporation, the I.H.S.A.A. and any other state sponsoring organization. Six general statements of policy regarding rules and regulations are applicable to all extracurricular participants of Jac-Cen-Del. These rules and regulations will be adhered to by all sponsors/coaches and students.

Good Standing: The student must attain and maintain good standing throughout his/her activity career at Jac-Cen-Del. Good standing can be lost when a student violates rules related to the following:

- A. IHSAA eligibility rules
 - B. Alcohol and substance abuse
 - C. Jac-Cen-Del Community School Corporation rules and regulations
 - D. Tobacco and tobacco products
 - E. Expulsion from team or activity
 - F. Expulsion from school
 - G. Not completing a season
 - H. Any other violation not listed but deemed serious enough to warrant loss of Good Standing when a student loses good standing, he/ she:
 1. Will be prohibited from participating in activities for a length of time as determined by the nature of the act
 2. Will be expelled from the activity for those types of violations which call for expulsion
3. Will not receive any awards in an activity until good standing has been re-established. Standards, Rules and Regulations: The following are standards, rules and regulations which student participants in activities will adhere to:

1. Attendance and Participation: Students must attend classes for the full day to practice or participate in activities or contests on that day. Verified doctor's appointments are acceptable.
2. Attitude: A student shall display exemplary attitude, behavior and citizenship at all times.
3. Rumors: A student will be interviewed by a coach, advisor, sponsor or administrator if information is obtained through rumors concerning inappropriate behavior. The student will be informed of the situation and advised of consequences of inappropriate behavior.
4. Lost Equipment: The student must return all equipment issued to him/her. Equipment which is lost or stolen will require restitution.

5. Quitting the Activity or Organization: A student must remain in the activity or on the squad until the entire schedule is completed. A student who quits without the sponsor or coach's permission will forfeit any awards.

6. Responsibility: The conduct of all students during any part of the activity will be under the direction and rules of Jac-Cen-Del and the sponsor or coach.

Eligibility Requirements: These are determined by the organization, whether local or state sponsored. They may be acquired from any sponsor or coach.

Controlled Substances: These shall not be possessed, sold, used or transmitted. Penalties will be administered within the guidelines of Jac-Cen-Del School Corporation Policy and State Law.

Administrators, Sponsors, and/or Coaches: Additional guidelines may be set by sponsors or coaches.

INSURANCE

To eliminate any confusion relative to activity injuries' expenses and insurance, please note the following: The Jac-Cen-Del Community School Corporation expects each student to have accident coverage before participating in extracurricular activities. The Jac-Cen-Del Community School Corporation will not pay any injury related expenses sustained by extracurricular participants.

Students will not be able to self-report once they have been notified of their selection to be tested through the random drug-testing program. Students who self-report may resume activities two weeks from the date of confirmation if requirements (stated above) are met.

No student will have the opportunity to exercise the self-reporting option more than once during attendance at Jac-Cen-Del Jr. Sr. High School.

ADDITIONAL INFORMATION

At the discretion of administrators, all students attending high school functions may be required to submit to a Breathalyzer test as a condition of admittance. Breathalyzers may also be used in the case of reasonable suspicion of alcohol use.

At any time, a parent may require that their student be tested utilizing the school's contracted hospital drug testing lab. The process will occur at the school, and at the parent's expense. The student will be informed that it is a parent requested test. The results will be sent to the family directly. In order to initiate this process, the parent should contact an administrator who will instruct the parent on the process.

Less serious violations of school, coach, teacher or sponsor rules are to be handled by the coach, teacher or sponsor.
