Fax: (812) 689-5909

## IMMUNIZATION REQUIREMENTS TO ENTER SCHOOL

It is very important that you have your student's health history completed before the first day of school. This is a very important piece of information for the schools.

### **MINIMUM IMMUNIZATION REQUIREMENT FOR SCHOOL ENTRY**

Based on the current recommendations of the AAP and the ACIP, the minimum immunization requirements for school attendance have been revised as follows and will be effective as of the 2024-2025 school year. When a child enrolls in a school corporation, for the first time or any subsequent time and at any level, his parents must show either that he has been immunized or that a current religious or medical objection is on file.

The immunization series must be completed  
before your child enters school.

Please call your family doctor to schedule immunizations.

Immunizations are also available at the:

### **Ripley County Health Department in Versailles**
