Kindergarten registration for Jac-Cen-Del Elementary School will be held on Thursday, April 4th, 2024 from 1:00-6:00 PM. All children must be five years of age on or before August 1st to attend kindergarten during the 2024-2025 school year. Parents and registering kindergarten students are requested to attend. The Ripley County Health Department will be available during the kindergarten registration to print your child's birth certificate. The cost is \$25 and they will accept cash or credit. It must be a parent requesting the certificate and they will need to provide their driver's license. This will be available for any child born in Ripley County. If your child needs vaccines your primary care provider, the Ripley County Health Department, Margaret Mary Occupational Health and Decatur County Hospital are some places that will be happy to assist. Your child will not be officially registered for kindergarten until an official birth certificate and an updated immunization record are on file at the school.
